All bills are due by the 10<sup>th</sup> of the month. Bills not paid on the 10<sup>th</sup> will be assessed a late fee. Bills not paid by the 20<sup>th</sup> will be disconnected on the 21<sup>st</sup>. You will not receive a 2<sup>nd</sup> notice. A \$20.00 reconnect fee will be assessed on all accounts disconnected due to non-payment. The past due amount, plus reconnect fee, will have to be paid to have service restored. If you are disconnected for 2 months, your deposit will be applied to your bill, and you will be required to pay a new \$100.00 deposit. If you move to a different location in the city there will be a \$10.00 transfer fee and your account must be current. If you pay by check and it is returned due to insufficient funds, there will be a \$28.00 return check fee, and we will not accept personal checks from you for 6 months. If you move and no longer require our services, it is your responsibility to contact City Hall to stop your services. Once we have been notified that you want your services disconnected, a final meter reading will be obtained and a final bill will be calculated. Your deposit will be applied to your final bill. If your deposit is more than your bill, you will receive a refund. Refunds are processed and mailed at the end of the month. We may report any unpaid bills to other Water Associations. Any false information given may result in disconnection of services, as well as prosecution. Please sign below stating that you have read and understand the requirements as stated above:
